Re: Under-18 Registration for Indoor Season 2009-10

This is the 5th consecutive season, since Indoor 2007-08, that the Saskatoon Youth Soccer Office has been coordinating the U18 division registration. Here are answers to the most common questions:

Q: How can I register in the U18 League with Saskatoon Youth Soccer?

- Every player must fill out a Registration Form and they can be accessed on our website at www.saskatoonsoccer.com/sys under the "Forms" section. You can register as one player, request to play with a couple friends, or submit a whole team.
- The registration deadline is **Fri Sept 4 at 4:00pm**. After this date a \$25 late fee per player is in effect.
- There are two different ways you may register:
 - 1) Drop off the registration form and payment (cash or cheque only) to the office
Hand in the form and payment to the Saskatoon Youth Soccer administration offices at the SaskTel Sports Centre (South Entrance) during office hours Monday to Friday 10:00am – 4:30pm.
 - 2) Mail the registration form and payment (cheque only) to:
Saskatoon Youth Soccer Inc. -- Attention: U18 Registration
150 Nelson Road, Saskatoon SK, S7S 1P5

Q: What do I need to know about the U18 League?

- All 20 games plus city playoffs will be played on half field turf at the SaskTel Sports Centre with a 7v7 format played with adult soccer rules.
- For players born in 1991 & 1992 & 1993 → 1991 players move to adult soccer in Outdoor 2010.
- There will be two levels of competition offered: Premier and Division II – both divisions will have playoffs and standings and SSA Provincial Competitions may be offered if the province receives enough entries.
 - 1) Premier Division ~ for players who have previously played PSL, Premier, or Div 2
 - 2) Division 2 ~ for player who have previously played Div 2, 3, 4
- There are no tryouts at the start of the season but if you feel you have joined the wrong division after the season has started you can transfer to another division team.

Q: What are the differences between joining youth or adult soccer?

- You cannot be registered on an adult team and youth team at the same time in the same season.
- To join youth soccer you can submit a team, a couple players, or an individual player whereas with adult soccer you need to submit an entire team and individuals without a team are placed on a waiting list.
- Adult games start as late as 11:15pm. The latest youth start time is 9:15pm at night.
- **The reason youth soccer fees are higher is because of the amount of zone support your team receives such as coach/manager support, uniforms, soccer balls, first aid kit and other equipment. Adult soccer does not provide coaches, uniforms or equipment for your team.**

Q: How do I register an entire team?

- A complete list of players expected to be on the team must be submitted by the team contact or coach/manager at the time of registration.
- Separate registration form for each player must be filled out and payments attached from all players.
- Registration Fee amounts will be on the registration form
